1. NAMES and IDENTIFICATION

- a) Preferred name of language for code element denotation:
Kalanadi
- b) Autonym (self-name) for this language:
- c) Alternate names and spellings of language, and any established abbreviations:
- d) Reason for preferred name:
- e) Name of ethnic group or description of people who use this language and approximate population of users, if in use today:
spoken by about 750 Kalanadikal people in Wayanad district of Kerala
- f) Preferred three letter identifier, if available:

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. Language identifiers are not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.
