(completed by Registration Authority)

PLEASE NOTE: This completed form will become part of the public record of this change request and the history of the ISO 639-3 code set. Use Shift-Enter to insert a new line in a form field (where allowed).

### 1. NAMES and IDENTIFICATION

- a) Preferred name of language for code element denotation:  
Jhankot Sign Language
- b) Autonym (self-name) for this language:
- c) Alternate names and spellings of language, and any established abbreviations:
- d) Reason for preferred name:  
The village where this language is used is Jhankot, so the author used the name of the village for the name of the sign language.
- e) Name of ethnic group or description of people who use this language and approximate population of users, if in use today:  
Khampa
- f) Preferred three letter identifier, if available: JHS

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. Language identifiers are not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

- d) For an ancient or historical language, give approximate time frame; for a recently extinct language, give the approximate date of the last known user's death

### 3. MODALITY AND LINGUISTIC AFFILIATION

- a) This language is: ☒ Signed ☐ Spoken ☐ Attested only in writings
- b) Language family, if classified; origin, if artificially constructed:  
Sign Language
- c) Closest language linguistically. For signed language, note influence from other signed or spoken languages:  
None

### 4. LANGUAGE DEVELOPMENT AND USE

- a) What written literature, inscriptions or recordings exist in this language? Are there newspapers, radio or television broadcasts, etc.?:  
Nil
- b) Is this language officially recognized by any level of government? Is it used in any levels of formal education as a language of instruction (for other subjects)? Is it taught in schools?:  
No
- c) Comment on factors of ethnolinguistic identity and informal domains of use:  
Used informally in social interactions in the community, among both hearing and deaf.
