PLEASE NOTE: This completed form will become part of the public record of this change request and the history of the ISO 639-3 code set. Use Shift-Enter to insert a new line in a form field (where allowed).

1. NAMES and IDENTIFICATION
   a) Preferred name of language for code element denotation:
      Gamo
   b) Autonym (self-name) for this language:
      Gamotso
   c) Common alternate names and spellings of language, and any established abbreviations:
      Gemu
   d) Reason for preferred name:
      The name "Gamo" is established in the literature about this language and is a well-known common name for the language, ethnic group and administrative area involved. "Gamotso", the self-name, is not yet widely used in the literature. "Gemu" is an older designation and is currently considered somewhat derogatory.
   e) Name and approximate population of ethnic group or community who use this language (complete individual language currently in use):
      Gamo; population ~690,069
   f) Preferred three letter identifier, if available: gem

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifiers is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

2. TEMPORAL DESCRIPTION and LOCATION
   a) Is this a
      ☒ Living language
      ☐ Nearly extinct/secondary use only (includes languages in revival)
      ☐ Recently extinct language
      ☐ Historical language
      ☐ Ancient language

c) Closest language linguistically. For a Macrolanguage, list the individual languages (adopted and/or proposed) to be included in its group. For signed language, note influence from other signed or spoken languages:
   Gofa

4. LANGUAGE DEVELOPMENT AND USE

a) What written literature, inscriptions or recordings exist in this language? Are there newspapers, radio or television broadcasts, etc.?:
   There is an ongoing Gamo Bible translation project. A church-based literacy program was also started in 2007. To the best of our knowledge no radio, TV or newspapers are available in the language.

b) Is this language officially recognized by any level of government? Is it used in any levels of formal education as a language of instruction (for other subjects)? Is it taught in schools?:
   Gamo is used as a medium of instruction in grades 1-3.

c) Comment on factors of ethnolinguistic identity and informal domains of use:
   The Gamo have an ethnolinguistic identity distinct from the Gofa and the Dawro. The
Gamo language is stable in terms of ethnolinguistic vitality, and it is widely used in the countryside.
