PLEASE NOTE: This completed form will become part of the public record of this change request and the history of the ISO 639-3 code set. Use Shift-Enter to insert a new line in a form field (where allowed).

1. NAMES and IDENTIFICATION
   a) Preferred name of language for code element denotation:
      Kenaboi
   b) Autonym (self-name) for this language:
      unknown
   c) Common alternate names and spellings of language, and any established abbreviations:
   d) Reason for preferred name:
      Only name used in literature
   e) Name and approximate population of ethnic group or community who use this language (complete individual language currently in use):
      extinct
   f) Preferred three letter identifier, if available: zkn

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifiers is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

2. TEMPORAL DESCRIPTION and LOCATION
   a) Is this a □ Living language
      □ Nearly extinct/secondary use only (includes languages in revival)
      ✗ Recently extinct language
      □ Historical language
      □ Ancient language
      □ Artificially constructed language
      □ Macrolanguage
(Select one. See explanations of these types at [http://www.sil.org/iso639-2D3/types.asp](http://www.sil.org/iso639-2D3/types.asp))

For individual languages, also complete:

b) Countries where used:
   Malaysia

c) Region within each country: towns, districts, states or provinces where used. Include GPS coordinates of the approximate center of the language, if possible:

d) For an ancient or historical language, give approximate time frame; for a recently extinct language, give the approximate date of the last known user’s death
   Approximately 1880

3. MODALITY AND LINGUISTIC AFFILIATION

a) This language is: ☒ Signed   ☐ Spoken   ☐ Attested only in writings

b) Language family, if classified; origin, if artificially constructed:
   unclassified

c) Closest language linguistically. For a Macrolanguage, list the individual languages (adopted and/or proposed) to be included in its group. For signed language, note influence from other signed or spoken languages:
   unknown

4. LANGUAGE DEVELOPMENT AND USE

a) What written literature, inscriptions or recordings exist in this language? Are there newspapers, radio or television broadcasts, etc.?:
   A few hundred words in scattered wordlists. The major source is Blagden (1906), summarized and organized in Hajek (1998)

b) Is this language officially recognized by any level of government? Is it used in any levels of formal education as a language of instruction (for other subjects)? Is it taught in schools?:
   no

c) Comment on factors of ethnolinguistic identity and informal domains of use:
