- f) Preferred three letter identifier, if available:

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifier is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

### 2. TEMPORAL DESCRIPTION and LOCATION

- a) Is this a
