Associated Change request number : 2012-138 (completed by Registration Authority)

Tentative assignment of new identifier : ikr (completed by Registration Authority)

PLEASE NOTE: This completed form will become part of the public record of this change request and the history of the ISO 639-3 code set. Use Shift-Enter to insert a new line in a form field (where allowed).

1. NAMES and IDENTIFICATION
   a) Preferred name of language for code element denotation:
      Ikarranggal
   b) Autonym (self-name) for this language:
   c) Common alternate names and spellings of language, and any established abbreviations:
      Ikarranggali
   d) Reason for preferred name:
   e) Name and approximate population of ethnic group or community who use this language (complete individual language currently in use):

   f) Preferred three letter identifier, if available: ikr

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifiers is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

2. TEMPORAL DESCRIPTION and LOCATION
   a) Is this a
      □ Living language
      □ Nearly extinct/secondary use only (includes languages in revival)
      □ Recently extinct language
      □ Historical language
      □ Ancient language
      □ Artificially constructed language
      □ Macrolanguage
