1. NAMES and IDENTIFICATION
   a) Preferred name of language for code element denotation:
      Kurukh (Individual language)
   
   b) Autonym (self-name) for this language:

   c) Common alternate names and spellings of language, and any established abbreviations:
      Birhor, Kadukali, Koda, Kola, Kora, Kuda,Kunha, Kunhar, Kunna, Kunrukh, Kunuk,
      Kurka,Kurukh, Morva, Oraon, Urang, Uraon

   d) Reason for preferred name:
      MT Speakers calls themselves as Kurukh

   e) Name and approximate population of ethnic group or community who use this language (complete individual language currently in use):
      Approximately 1,737,044 people in India according to 2001 census.

   f) Preferred three letter identifier, if available:
      Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifiers is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

2. TEMPORAL DESCRIPTION and LOCATION
   a) Is this a ☒ Living language
      ☐ Nearly extinct/secondary use only (includes languages in revival)
      ☐ Recently extinct language
      ☐ Historical language
      ☐ Ancient language
      ☐ Artificially constructed language
Macrolanguage

(Select one. See explanations of these types at http://www.sil.org/iso639-2D3/types.asp)

For individual languages, also complete:

b) Countries where used:
   India, Bangladesh

c) Region within each country: towns, districts, states or provinces where used. Include GPS coordinates of the approximate center of the language, if possible:
   In India they live in Jharkhand [Ranchi district], Chhattisgarh [Raigarh, Surguja districts], West Bengal [Jalpaigiri district], and Orissa [Sundargarh, Jharsuguda districts]. Few are in Assam and Tripura also.

d) For an ancient or historical language, give approximate time frame; for a recently extinct language, give the approximate date of the last known user’s death

3. MODALITY AND LINGUISTIC AFFILIATION

a) This language is: □ Signed ☑ Spoken □ Attested only in writings

b) Language family, if classified; origin, if artificially constructed:
   Dravidian, Northern

c) Closest language linguistically. For a Macrolanguage, list the individual languages (adopted and/or proposed) to be included in its group. For signed language, note influence from other signed or spoken languages:

4. LANGUAGE DEVELOPMENT AND USE

a) What written literature, inscriptions or recordings exist in this language? Are there newspapers, radio or television broadcasts, etc.?:
   There are written literature and other recordings exist in this language. There were few newspapers published in it but now it is not and only few magazines are been published. The All India Radio, Ranchi, broadcast programmes in the Kudukh language which include broadcasts of Kurukhs songs and discussion on current topics.

b) Is this language officially recognized by any level of government? Is it used in any levels of formal education as a language of instruction (for other subjects)? Is it taught in schools?:
   Kudukh is officially recognized by the government of India. Though it is not used as the language of instruction in the schools, it has been introduced in the degree courses as one of the Modern Indian Languages at the Ranchi University recently.
c) Comment on factors of ethnolinguistic identity and informal domains of use:
   Most of the Kurukh people live in villages and they use their mother tongue in all the domains.
