ISO 639-3 Registration Authority
Request for New Language Code Element in ISO 639-3

This form is to be used in conjunction with a “Request for Change to ISO 639-3 Language Code” form

Date: 2016-6-22

Name of Primary Requester: Tam Nguyen

E-mail address: tam.nguyen8 at hcmussh dot edu dot vn

Names, affiliations and email addresses of additional supporters of this request:
Nate Cheeseman, nate_cheeseman at sil dot org, Linguistics Institute, Payap University, Chiangmai, Thailand

Associated Change request number : 2016-033 (completed by Registration Authority)
Tentative assignment of new identifier : ibh (completed by Registration Authority)

PLEASE NOTE: This completed form will become part of the public record of this change request and the history of the ISO 639-3 code set. Use Shift-Enter to insert a new line in a form field (where allowed).

1. NAMES and IDENTIFICATION

   a) Preferred name of language for code element denotation:
      Bih

   b) Autonym (self-name) for this language:
      Bih

   c) Common alternate names and spellings of language, and any established abbreviations:

   d) Reason for preferred name:

   e) Name and approximate population of ethnic group or community who use this language (complete individual language currently in use):
      There are about 500 people who consider themselves Bih ethnically but many of them can't speak Bih at all but Rade [rad] instead.

   f) Preferred three letter identifier, if available: bih

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifiers is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

2. TEMPORAL DESCRIPTION and LOCATION

   a) Is this a
      - [ ] Living language
      - [x] Nearly extinct/secondary use only (includes languages in revival)
      - [ ] Recently extinct language
      - [ ] Historical language
      - [ ] Ancient language
      - [ ] Artificially constructed language

Request for New Language Code Element in ISO 639-3, page 1
Macrolanguage

(Select one. See explanations of these types at http://www.sil.org/iso639-3/types.asp)

For individual languages, also complete:

b) Countries where used:
   Vietnam

c) Region within each country: towns, districts, states or provinces where used. Include GPS coordinates of the approximate center of the language, if possible:
   Buon Trap town, Krong Ana District, Daklak province, Vietnam. Coordinates: 12°29'N 108°01'E.

d) For an ancient or historical language, give approximate time frame; for a recently extinct language, give the approximate date of the last known user’s death

3. MODALITY AND LINGUISTIC AFFILIATION

a) This language is: □ Signed  □ Spoken  □ Attested only in writings

b) Language family, if classified; origin, if artificially constructed:
   Chamic, Malayo-polynesian, Austronesian

c) Closest language linguistically. For a Macrolanguage, list the individual languages (adopted and/or proposed) to be included in its group. For signed language, note influence from other signed or spoken languages:
   Bih is closely related to Rade. Bih people communicate mainly in Rade, but when they speak Bih, Rade people can't understand them.

4. LANGUAGE DEVELOPMENT AND USE

a) What written literature, inscriptions or recordings exist in this language? Are there newspapers, radio or television broadcasts, etc.?:
   There are some recordings in this language.

b) Is this language officially recognized by any level of government? Is it used in any levels of formal education as a language of instruction (for other subjects)? Is it taught in schools?:
   None

c) Comment on factors of ethnolinguistic identity and informal domains of use:
   Young generations of Bih do not speak Bih. They do not understand their grandparents' conversations in Bih either. The elderly people have to use Rade to communicate with others.
SOURCES OF INFORMATION

You do not need to repeat sources previously identified in the form, “Request for Change to ISO 639-3 Language Code”

a) First-hand knowledge. Describe:
I have first hand experience working with this group.

b) Knowledge through personal communication. Describe:

c) Knowledge from published sources. Include known dictionaries, grammars, etc. (please give complete bibliographical references):
