1. NAMES and IDENTIFICATION
   a) Preferred name of language for code element denotation:
      Tjupany
   b) Autonym (self-name) for this language:
      N/A
   c) Common alternate names and spellings of language, and any established abbreviations:
      N/A
   d) Reason for preferred name:
      As per Australian Bureau of Statistics labelling of language.
   e) Name and approximate population of ethnic group or community who use this language (complete individual language currently in use):
      Tjupany people (subgroup of Western Desert people). Approximate population who use this language: 200-250.
   f) Preferred three letter identifier, if available:
      Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifiers is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

2. TEMPORAL DESCRIPTION and LOCATION
   a) Is this a
      □ Living language
      ✗ Nearly extinct/secondary use only (includes languages in revival)
      □ Recently extinct language
      □ Historical language
      □ Ancient language
      □ Artificially constructed language
      □ Macrolanguage

For individual languages, also complete:

b) Countries where used:
   Australia

c) Region within each country: towns, districts, states or provinces where used. Include GPS coordinates of the approximate center of the language, if possible:
   Traditionally spoken in the Northwest Goldfields around the area of Barwidgee Station through to Leinster, Wiluna and west to Sandstone.

d) For an ancient or historical language, give approximate time frame; for a recently extinct language, give the approximate date of the last known user’s death
   N/A

3. MODALITY AND LINGUISTIC AFFILIATION

   a) This language is: ☑ Signed       ☑ Spoken       ☐ Attested only in writing

   b) Language family, if classified; origin, if artificially constructed:
      Western Desert

   c) Closest language linguistically. For a Macrolanguage, list the individual languages (adopted and/or proposed) to be included in its group. For signed language, note influence from other signed or spoken languages:
      Western Desert language

4. LANGUAGE DEVELOPMENT AND USE

   a) What written literature, inscriptions or recordings exist in this language? Are there newspapers, radio or television broadcasts, etc.?:
      In 2011-12, linguist Sue Hanson through the Walkatjura Cultural Centre, Ngalia Foundation under the National Trust of Australia (WA) undertook a study of the state of the Goldfield’s languages. Tjupan speakers Shirley Wonyabong and Richard Narrier contributed words and phrases during the short study period of this project. Both speakers are very keen to see this work continue. Funding was received under the Department of Arts Maintenance of Indigenous Languages and records program for the year 2011 to 2012 to begin work on the recording, analysis and preservation of the language through creation of recordings, a dictionary and a sketch grammar.

   b) Is this language officially recognized by any level of government? Is it used in any levels of formal education as a language of instruction (for other subjects)? Is it taught in schools?:
      Yes - recognised by the Australian Bureau of Statistics as the official name of the language. Unknown if it is used in any formal education or school environments.
