Comments received for
ISO 639-3 Change Request
2018-065

Outcome: Rejected
Effective date: January 25, 2019
Registration Authority decision on Change Request no. 2018-065: to update the name for the code element [wgy] for Warrgamay.

The request to update the name for the code [wgy] for Warrgamay is rejected. The RA finds that the change request is based on minimal evidence. It requests a name which is not commonly found in the literature or other sources. The current name matches the name used by AIATSIS in the AUSTLANG database. Most literature refers to the language by the name Warrgamay. Based on this, the request to change the name of the code [wgy] for Warrgamay is rejected.
