Comments received for
ISO 639-3 Change Request
2020-016

Outcome: Rejected
Effective date: January 15, 2021
Registration Authority decision on Change Request no. 2020-016: to merge the code elements [ruq] for Megleno Romanian and [rup] for Macedo Romanian into [ron] Romanian.

The request to merge the code elements [ruq] for Megleno Romanian and [rup] for Macedo Romanian into [ron] Romanian is rejected. The requested change involves two code elements that are managed under Part 2 of the ISO 639 standard, [rup] Aromanian and [ron] Romanian. Because this change would require a change for Part 2, the requested merger of [rup] Aromanian into [ron] Romanian would first need to be approved by the Registration Authority for ISO 639-2.
