1. NAMES and IDENTIFICATION
   a) Preferred name of language for code element denotation:
      Mbuk
   b) Autonym (self-name) for this language:
      Mbogho ~ Bembogho (this is how natives of Mbuk refer to themselves)
   c) Common alternate names and spellings of language, and any established abbreviations:
      Mbyuk (the Bum pronunciation of Mbuk)
   d) Reason for preferred name:
      This is used locally and also by the Cameroon Government Administration
   e) Name and approximate population of ethnic group or community who use this language (complete individual language currently in use):
      600
   f) Preferred three letter identifier, if available: boc

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifiers is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

2. TEMPORAL DESCRIPTION and LOCATION
   a) Is this a ☒ Living language
      ☐ Nearly extinct/secondary use only (includes languages in revival)
      ☐ Recently extinct language
      ☐ Historical language
      ☐ Ancient language
      ☐ Artificially constructed language

Request for New Language Code Element in ISO 639-3, page 1
